

Player Registration Information

There have been a few recent instances of people trying to register a player in Region 144 when they are not a parent or a legal guardian of the player they are trying to register.

Region 144 AYSO is unable to accept the registration of a player if that player is not registered by a parent or legal guardian. WITHOUT EXCEPTION, if there is any situation where a parent or legal guardian of a player is unable to register the player, the registration of that player **MUST BE SPECIFICALLY APPROVED** by the Regional Commissioner before that player's registration can be accepted.

Region 144 relies on parents/legal guardians to provide the correct age and birth date of the player being registered, **and all players' ages and birthdates will be verified before the season starts.** Furnishing an incorrect age or birth date may prevent or delay that player's assignment to a team for the season.

WE CANNOT GUARANTEE CORRECT PLACEMENT, OR EVEN ANY PLACEMENT, FOR ANY PLAYER REGISTERED WITH THE WRONG BIRTHDATE, AGE, OR GENDER.
